

## 80 Years Of Oxfam Charity

- 1) Oxfam Charity has now been going for 80 years' time  
With commitments to supporting anti-racism, feminism and shifting power going quite fine  
And it's covered a very big distance  
To in these areas, Worldwide, come of assistance
- 2) Demonstrating for the public what it's meant  
Oxfam has organized many a fund-raising event  
Had lots of staff and volunteers helping out  
Showing lots of generous support, no doubt
- 3) Thanks to plenty a warm heart  
In ending poverty Oxfam has played a part  
Largely with Charity shops I guess  
Which appreciates regular donations definitely yes
- 4) Charities like Oxfam will hopefully continue going for ages  
Helping out, all those in need, through different stages  
And with no hesitation  
At all it's successful anniversaries have a good celebration
