

Children In Need

1. With Children In Need
We should show no greed
But really help them out
And that's without a doubt
This charity has now been going 40 years yes
Helping out many a child or so I guess

2. We need to please their childhood
By doing what we should
Show true love and care
To each of them be fair
This charity has now been going 40 years yes
Helping out many a child or so I guess

3. So if you have any spare cash
Please get it out in a dash
And doing a good deed
Sent it to Children In Need
This charity has now been going 40 years yes
Helping out many a child or so I guess

4. Terry Wogan would have been pleased
At us helping children on their knees
Helping them buy more things, such as plenty a toy
To bring them Happiness and Joy
This charity has now been going 40 years yes
Helping out many a child or so I guess
