

Elizabeth And Philip's Platinum Anniversary

- 1) For the British Nation to give lots and lots of cheers
Now the Queen and Duke of Edinburgh have been married for 70 years
Yes before a long life together with things going quite fine
They first met each other in the year 1939
- 2) On the 20th November 1947 Philip and then Princess Elizabeth had a special wedding day
Before as a married Royal Family couple they had 70 years to stay
And due to the sad death of King George VI in 1952
Queen Elizabeth II and the Duke of Edinburgh came forward for me and you
- 3) Then without any form of hesitation
Queen Elizabeth II and Prince Philip were to do all that they could for this nation
And they were to help the whole Commonwealth to go well
In what the future had to tell
- 4) Whilst doing for this country and Commonwealth all that they can
They also gradually had Royal Family children Charles, Andrew, Edward and Anne
Who with lots of big assistance
They helped to in life cover oh quite a distance
- 5) Queen Elizabeth II and Prince Philip today have a Platinum Anniversary taking place
Which will bring a smile to many a different face
Now for the whole Royal Family, including their great grandchildren, it's time to rejoice
With the National Anthem being sung with plenty a nice voice
