

Eric Morecambe and Ernie Wise

- 1) Eric Morecambe and Ernie Wise for a while appeared on BBC radio and TV
Bringing lots of different entertainment to you and me
Taking us with lots of laughter to heaven
They had a BBC TV show from 1968 to 1977
- 2) Morecambe and Wise were the most popular comedians yes
In their time did very well or so I guess
Whilst as-well as comedy at singing and dancing having a go
They also often had a star guest on their show
- 3) Morecambe and Wise as a matter of fact
Were once voted Britain's best produced double act
They brought lots of amusement to their show
Especially when every so often at having a 'Christmas Special' they had a go
- 4) After bringing plenty of enjoyment mostly via BBC TV
In 1976 they both got awarded an OBE
Morecambe and Wise will be remembered for many years
Because during their shows they got lots of cheers
- 5) Having attracted more laughter than ever before
Morecambe sadly died of an illness in 1984
Then unfortunately Wise also died in 1999
Though on stage they'd together done quite fine
