

FIFA U-17 World Cup In India 2017

- 1) This year the U-17 English Lions did very well
In what the World Cup in India had to tell
Bringing to many a spectator a smile on their face
On the 6th to 23rd October 2017 this competition did take place
- 2) In the quarter finals the U-17 English team played like they're never done before
Managing to beat the United States 1-4
Then in the semi-final there was quite a thrill
When 1-3 they also defeated Brazil
- 3) In the final the U-17 England team suffered a two goal deficit to Spain
But then scored goals of their own time and time again
Until as a big celebration for me and you
They managed to tremendously win 5-2
- 4) The terrific U-17 England team
Had fulfilled a great big dream
And having shaken all the other teams up
Were presented joyfully with the U-17 World Cup
- 5) With the whole U-17 English team, like the U-19s and U-20s to this year be deeply applaud
Liverpool striker Brewster picked up the 'Golden Boot' award
Together this year amateur English football has had quite a lot to tell
With us all hoping in the future it does as-well
