

## Johnny Mathis Is 90

- 1) Johnny Mathis was born, in Gilmer, Texas, U.S. on the 30th September 1935  
Before later bringing lots of pop and jazz music alive  
Last year in his life he reached a special stage  
When he became 90 years of age
- 2) Mathis with singles of standard music has been a star  
Performing extremely near and far  
He also happily lots of the general public did entertain  
With traditional pop music through which to gain
- 3) Mathis put together many a great album yes  
Lots proving popular or so I guess  
He was one of the best-selling recording artists of the 20th century  
With plenty a stage performance for all to see
- 4) Mathis developed lots of Christmas music too  
Which was deeply enjoyed by quite a few  
Especially with the 'When A Child Is Born' Christmas song  
That has been listened to for very long
- 5) Mathis brought to lots of audiences a smile  
Singing for a very long while  
He's certainly had a big successful career  
To by everyone be given a big cheer
