

Preston Guild Year 2012

- 1) It's Preston Guild Year 2012 this year
Which will bring plenty a cheer
With a lot of activities taking place
There'll be a smile on many a Preston City person's face

- 2) Every 20 years it's the Preston Guild
At which people are really quite thrilled
With lots and lots of good intent
On it there's held many an enjoyable event

- 3) There's Community Events in Guild Week yes
Many a colourful and entertaining possession or so I guess
A lot of Church, Community and Business people,
Through the City parade walking
Passing a large crowd of people watching
And about it all nicely talking

- 4) A little 'Miss Guild' competition is put together
That gets more a good entry than ever
The winner shows a very big grin
And certainly in a possession or 2 she then takes part in

- 5) Street parties and competitions take place
In the Preston Guild Year Celebration
Marching bands and amusements put together with no hesitation
Then the Preston Guild Farewell Ceremony does come
To end the Guild Year that's to everyone been quite a lot of fun
