

Queen Elizabeth II Diamond Jubilee

- 1) It's Queen Elizabeth's Diamond Jubilee this year
Which will bring plenty a big cheer
Yes for 60 years now she's been Queen
With lots of clever and nice Country ruling to be seen
With the running of this Country she's really played a part
And everywhere fully shared her heart

- 2) With Prince Philip and Royal Family she's travelled world-wide
All together sailing long distances on the tide
Showing friendship to many places abroad
Really by everyone to be deeply applaud
With the running of this Country she's really played a part
And everywhere fully shared her heart

- 3) Never at all being a bit afraid
The Queen's taken part in many a through London parade
As travelling along waving to the crowd
A nation of people of whom leading she's been very proud
With the running of this Country she's really played a part
And everywhere fully shared her heart

- 4) There'll be lots of Celebration this year
With the general public dressed in smart gear
Yes we're all going to honour Queen Elizabeth's reign
Completely time and time again
With the running of this Country she's really played a part
And everywhere fully shared her heart

- 5) We now as a very special thing
The great National Anthem all sing
This year's special event will be remembered for ages
Making all the magazine and newspaper's history recording pages
With the running of this Country she's really played a part
And everywhere fully shared her heart
