<u>Sir Kenneth Arthur Dodd Is 80</u>

1)   Ken Dodd has become 80 today
     Hip hip hurray
     Yes for him this is a special year
     Something to drink to with beer

2)   Yes in 1927 was his birth
     When he came upon this earth
     And in 1935 without being a fool
     He hosted 'Punch & Judy' shows at school

3)   Ken sung smash hit 'Happiness' in 1964
     Which he'd never done before
     And this was the first of many he did sing
     Which lots of enjoyment did bring

4)   He ran a children's program years ago
     Which him with the diddy-men did show
     That many youngsters did enjoy
     Whilst at home playing with a toy

5)   Ken, in show business, has been a good tool
     A good comedian of Liverpool
     And he's had everybody with laughter choking
     Through all his great humorous joking
