

The Great Britain Held Olympic Games 2012

- 1) Thanks deeply to the responsibility of Lord Sebastian Coe
At hosting the Olympic Games Great Britain have this year just had a go
For 16 days many a great sports event to be seen
Watched by millions live or at home on plenty a T.V. screen
Great Britain came 3rd with 29 'Gold' Medals this year
That deserves from everyone in this country a very big cheer

- 2) As 2 weeks of different distance track running had to tell
Some people such as Mo Farah and Usain Bolt did very well
If you've not already seen or been told
On the whole most countries teams picked up a Medal that's called 'Gold'
Great Britain came 3rd with 29 'Gold' Medals this year
That deserves from everyone in this country a very big cheer

- 3) Of the Great British team lots of the different cyclists having had a good pedal
Managed to most of all pick up many a 'Gold' Medal
In the rowing races Great Britain did reasonably well too
Finishing first a lot, to be watched by me and you
Great Britain came 3rd with 29 'Gold' Medals this year
That deserves from everyone in this country a very big cheer

- 4) The BBC gave good coverage of each individual sport
Gary Lineker, Sue Barker and other presenters doing all that they ought
To the winner of each sport event there was a cheer from the crowd
Which on the original sport ground or T.V. was very very loud
Great Britain came 3rd with 29 'Gold' Medals this year
That deserves from everyone in this country a very big cheer

- 5) In the Olympic Games 2012 many a National Anthem and presentation took place
Which to all spectators including some of The Royal Family
Brought a smile to the face
The whole big event both starting and ending with a late night's celebration
Under bright lights Great British singers and dancers appearing with no hesitation
Great Britain came 3rd with 29 'Gold' Medals this year
That deserves from everyone in this country a very big cheer
