

The Life Of Bill Oddie OBE

- 1) Bill Oddie was born, in Rochdale, Lancashire on the 7th July 1941
And was to go to Pembroke College, Cambridge before much time had gone
He then grew up to be an English comedian, conservationist, TV presenter and writer
Each day getting more and more completely brighter
- 2) Oddie was a member of the British comedy trio 'The Goodies' on TV
Then provided all his wildlife programmes for the BBC
Including 'Springwatch' & 'Autumnwatch', 'How to Watch Wildlife', 'Wild in Your Garden'
And some others that he gave TV presentation
Also doing a lot of Artwork with no hesitation
- 3) Oddie had Jeanne M. Hart then Laura Beaumont as his wife yes
Both bringing to him a smile or so I guess
They had 3 children in the nice family too
Who grew up together with quite a few
- 4) Oddie wrote plenty a song and natural life book
At which lots of different people wanted a listen and look
He also got a big award in Buckingham Palace on the 16th October 2003
When for all his service to wildlife conservation he was made an OBE
- 5) Oddie on the 7th July 2026 reached the age of 85
Then sadly on the 25th July 2026 he was no longer alive
Whilst it's very unfortunate but he did die
He'll be remembered forever more no lie
