

## The Life Of Diana Princess of Wales

- 1) Lady Diana Spencer was born in July 1961  
And was to be cleverly brought up before much time was gone  
In July 1981 at St Paul's Cathedral she married Charles, Prince of Wales  
A 'Wedding of the Century' that was to be followed with lots of different tales
- 2) Diana, Princess of Wales, had her first son 'William' born in June 1982  
Which was good news to really quite a few  
Next she had son 'Harry' in September 1984  
To bring her and many others a smile they'd never had before
- 3) Diana got on good with Charles, Prince of Wales, for quite a spell  
But then in 1996 they had quite another story to tell  
With them gradually and unfortunately falling out  
They went through with a sad divorce without a doubt
- 4) Diana had romance with Dodi Fayed for a short amount of time  
But then things didn't go at all too fine  
On 30th August 1997 their transport car in a Paris tunnel had a bad crash  
All the emergency vehicles and medical staff getting there in a big dash
- 5) Bringing lots and lots of worldwide total dismay  
Diana, Princess of Wales, was to die in hospital later that same day  
Witnessed by billions live and on T.V. Diana had a funeral on 6th September 1997  
The Royal Family and all others sadly watched her go to heaven
