Doing very well on the whole  
He was to become known as 'King of Rock and Roll'
2. Elvis in January 1956 released his first single 'Heartbreak Hotel' yes  
Which swiftly became Number 1 in the United States or so I guess  
Then in November 1956 with 'Love Me Tender' he made his first film debut  
Which was to be enjoyed by quite a few
3. Then Elvis committed to Military Service in 1958  
After quite a bit of debate  
Then in the 1960's in Hollywood films and soundtrack albums he played a part  
With his Worldwide singing winning many a heart
4. With his all-round career once more going fine  
Elvis became the best-selling solo music artist of all time  
He was to win 3 Grammy Awards, and 1 Grammy Lifetime Achievement Award  
For which he was deeply applaud
5. Elvis then married Priscilla 1967 until 1973  
When them getting divorced was to be sadly seen by you and me  
A blow which Elvis would never recover from no lie  
Going through years of prescription drug abuse until in 1977 he did unfortunately die
