

The Life Of Ian St John

- 1) Ian St John was born in Motherwell, Scotland in June 1938
Before he grew up to be a star footballer with no debate
Not knowing what his future career had to tell
He started playing 1956 to 1961 at Motherwell
- 2) Manager Bill Shankly proving he wasn't a fool
In 1961 until 1971 had Ian playing superbly at Liverpool
He helped them get back to the 1st Division yes
Where they became Championship Winners twice or so I guess
- 3) With Ian keeping his successful football career alive
Liverpool F.C. also won the FA Cup in 1965
On the whole pleasing quite a few
He won the FA Charity Shield 3 times with them too
- 4) Whilst also through Scotland Internationals having lots and lots of cheers
After Liverpool Ian went to Coventry City and Tranmere Rovers for a few years
Then he became Manager of Motherwell and Portsmouth for a short while
Bringing to all the different players and supporters an occasional smile
- 5) To be enjoyed by me and you
Ian then appeared in the 'Saint and Greavsie' Football Programme 1985 until 1992
Through which with fellow ex-footballer Jimmy Greaves he played a big part
Until sadly by dying on the 1st March 2021 he broke many a heart
