

The Life Of John Clegg

- 1) John Clegg was born in Murree, Punjab Province, British India, on the 9th July 1934
Then his British parents returned to the UK once more
Where he went to plenty an English school
Proving to many others he wasn't a fool
- 2) John later went to the Royal Academy of Dramatic Art yes
Followed by Watford Palace Theatre Company or so I guess
From which he appeared quite a lot on TV
On 'It Ain't Half Hot Mum', 'Dad's Army', and 'Are You Being Served' for lots to see
- 3) John married Mavis Pugh from 1959 to 2006
Who also got up to lots of all round acting tricks
Until she sadly did pass away
Bringing to John a bit of dismay
- 4) John turned 90 on the 9th July 2024
Having a bigger birthday party than ever before
Then unfortunately on the 2nd August 2024 in Chichester, West Sussex, he also did die
That was a big loss without a lie
- 5) John will be remembered forever
His talented skills be forgotten never
On TV he did exceptionally well
Which his long-term acting career deeply had to tell
