

The Life Of Ray Reardon MBE

- 1) Ray Reardon was born, in Wales, on the 8th October 1932
Growing up to be a professional with a cue
With him at snooker becoming one of the best
1976 to 1981, and 1982 to 1983, ranked higher than all the rest
- 2) Ray played professional snooker 1967 to 1991
For ages completely ranked as number 1
Becoming World Champion 5 times yes
Playing better than all the others or so I guess
- 3) Ray married Carol Covington 1987 to present
Who to each other were very pleasant
For 40 years he was president of Churston golf club, in Devon, too
Where he really took on quite a few
- 4) Ray, taking part in snooker competitions near and far
Was given the nickname 'Dracula'
Who he once appeared fancy dressed as on TV
To be laughed at by both you and me
- 5) Ray in 1985 was granted an MBE award
With all his legend achievements to be deeply applaud
Then on the 19th July 2024, aged 91, he sadly did die
Though he'll be remembered forever, no lie
