

## The Life Of Terry Venables

- 1) Terry Venables was born on the 6th January 1943  
To be given a Happy 80th Birthday in 2023  
Through his legendary life making all the sports pages  
As a football player and manager having lots of great stages
- 2) Terry played for Chelsea, Tottenham Hotspur, and QPR or so I guess  
With a couple of appearances for England yes  
Then he became manager of plenty a football team  
Trying to help each achieve their cup winning dream
- 3) Terry married Christine McCann 1966 to 1984  
Having a nice family to deeply adore  
And Yvette Venables 1991 to present  
Who was also to him very pleasant
- 4) Terry, with Tottenham Hotspur, Middlesbrough, and Leeds United managed many a football team  
Including Barcelona or so it later did seem  
Then he managed Alan Shearer and England 1994 to 1996  
Reaching the semi-final of the 1996 European Championship through their different football tricks
- 5) Following a few years giving some brief TV commentary  
Terry sadly died on the 25th November 2023  
With Gary Lineker and lots of others giving a sigh  
Saying he'd been one of the best managers 'no lie'
