

The Life Of Tina Turner

- 1) With everything going extremely fine
Tina Turner was born, in Brownsville, Tennessee, United States on the 26th November 1939
To be an American-born and naturalized Swiss singer yes
Known as the 'Queen of Rock 'n' Roll' or so I guess
She was simply the best
Better than all the rest

- 2) She rose to prominence as the lead singer of the Ike & Tina Turner Revue
Before launching a successful career as a solo performer for quite a few
This duo becoming one of the most formidable live acts in history
Releasing 'It's Gonna Work Out Fine', 'River Deep – Mountain High', 'Proud Mary' and
'Nutbush City Limits' successfully
She was simply the best
Better than all the rest

- 3) Doing well together career-wise with no debate
Tina married Ike Turner from 1962 to 1978
Followed by Erwin Bach 2013 to present
With 3 sons who were very pleasant
She was simply the best
Better than all the rest

- 4) In the 1980's with 'What's Love Got To Do With It' Tina won 'Grammy Award for Record of the year'
Then all her hits such as 'Better Be Good To Me', 'Private Dancer', 007 song 'GoldenEye', and
'The Best' were given a big cheer
And during her 'Break Every Rule World Tour' in 1988
She set a then-Guinness World Record for the largest paying audience with no debate
She was simply the best
Better than all the rest

- 5) Tina acted in 2 films, 'Tommy (1975)' & 'Mad Max Beyond Thunderdome (1985)', when required
And after her 2009 '50th Anniversary Tour' she retired
Then with a long illness of high blood pressure and kidney disease for her to sadly see
She unfortunately passed away on the 24th May 2023
She was simply the best
Better than all the rest
