

## The Royal Wedding 2011

- 1) Prince William and Kate Middleton are getting together today  
To with each other as a truly married Royal couple stay  
Doing the best of all that he can  
Prince Harry is being the Royal couples Best Man  
Prince William and Kate Middleton are getting married today  
At which we all say hip hip hurray
  
- 2) Prince William has known Kate Middleton for ages  
They met 8 years ago at their University studying stages  
They've been getting closer and closer for quite a while  
Constantly giving each other a nice smile  
Prince William and Kate Middleton are getting married today  
At which we all say hip hip hurray
  
- 3) At Westminster Abbey the Royal couple are getting together today  
To with each other forever-more stay  
Pippa Middleton's being Maid of Honour for her sister Kate  
Which she'll be pleased to be doing without any debate  
Prince William and Kate Middleton are getting married today  
At which we all say hip hip hurray
  
- 4) Whether or not on the special day the weather is fine  
The whole Royal Family will have a good time  
Queen Elizabeth and Prince Charles will be pleased with no debate  
At this Royal Marriage's great happening fate  
Prince William and Kate Middleton are getting married today  
At which we all say hip hip hurray
  
- 5) Now Prince William and Kate Middleton are a lovely Royal couple forever  
And will be apart from each other again in life never  
Now their Wedding has fully taken place  
They travel by horse carriage each with a big grin on their face  
Prince William and Kate Middleton are getting married today  
At which we all say hip hip hurray
