

The World Hero Nelson Mandela

1. Nelson Mandela was born in South Africa in 1918 yes
In it was to bring quite a big change or so I guess
Taking action against it with no hesitation
He was imprisoned for 27 years
For his opposition of Government Racial Discrimination
2. Following many a fairness in his Country's plea
Nelson was in 1990 to everyone's joy set free
Managing to unite the disparate warring parties
And avoid South Africa civil war
In 1993 he was awarded the Nobel Peace Prize
And was to feel better than ever before
3. In 1994 Nelson was made the first Black President of South Africa yes
Something to be deeply celebrated or so I guess
To now start a much more happy life
In 1998 he took Graca Machel as his true wife
4. Nelson was to empower disadvantaged children
And fight against HIV/Aids as much as he could
Getting everyone in South Africa living as fairly as they should
Having brought together more peace and happiness than ever before
He retired from being a great President in the year 2004
5. Although he'd got lots of things in this world to go to perfection
Starting in 2011 Nelson was sadly to suffer lung infection
In December 2013 he was to many people's upset die
Though world-wide he'll be remembered as a hero without a lie
